

Mission Statement: KATZ GmbH & Co. KG

As a sovereign member of the Koehler Paper Group we identify with the principles, guidelines and policies of our parent company.

- Satisfied customers and committed employees are the main prerequisites for our long-term success as an independent family company.
- We want to stand out from our competitors by pursuing innovation and excellent performance.
- Trust and respect for others form the basis for all our actions.
- We support our employees in the development of their skills based on our staff development principles.
- We accept our responsibility towards employees, the environment and society as a whole.
